

Statement of Responsibility for Enduro Events

You will be voluntarily entering AMA/ECEA sanctioned events. An AMA/ECEA sanction indicates that the events are listed in the Associations official calendar and that AMA/ECEA rules for competition may be used as a guideline. It does not indicate that the course has been inspected or approved by these Associations, nor does it indicate that the officials have been trained or accredited by these Associations, nor does it indicate that any AMA/ECEA authority or the promoter has warranted your safety.

Motorsports are inherently dangerous. You should take part in these events based on your own assessment of your abilities. Enduro routes may traverse public and private lands, and public roads, and the promoter is not responsible for their condition or for the actions of other individuals using private and public lands and roads. You are responsible for the quality and condition of your motorcycle and protective apparel. You are urged to wear as much protective apparel as possible. The promoter does not provide medical insurance coverage. We urge you not to compete in motorsports without adequate medical insurance coverage.

I have read and understand the above statement:
